

EL PASO CHRISTIAN HOME SCHOOL PANTHERS MISSION STATEMENT

Mission Statement:

“The purpose of the El Paso Christian Home School Athletic Board is to serve families by providing opportunities to glorify God through their participation in competitive sporting events”

The El Paso Christian Home School Athletic Board was designed to offer home schooled students a place to play competitive, team sports in the South West Christian Athletic Association (SWCAA) and Texas Association of Independent Athletic Organizations (TAIAO). Our purpose is to allow participants to opportunity to develop their Christian character, athletic ability, physical strength, discipline and endurance. Organized practices will develop every child who attends, but outside practice time will benefit anyone wanting to play in the games. Our program is designed to be a winning program both physically and emotionally.

EL PASO CHRISTIAN HOME SCHOOL PANTHERS GRADE GUIDELINES

An explanation of what is expected at each level of play follows:

Elementary (4th-6th grade):

Most players at this level will have had little or no experience. This is a developmental program meaning that basic skill will be covered thoroughly. The playing time for players is normally more equal at this level of play.

Junior High (7th-8th grade):

Most players at this level will have had some experience and/or have the desire to train and compete at a higher level. Although basic skills will be reinforced, this group will be trained at a higher level than the elementary teams. The playing time for this level will start to show inequality. Everyone will be allowed to play in the games, but the amount of time will be different for each player. Outside practice may be necessary for players who want to play in the games.

Junior Varsity and Varsity:

This program is best for those athletes who want to train and compete at the highest level of local, state and national competition. Basic skills may be received, but the level of training is more intense. The level of commitment from the player is essential to their success in this program. Outside practice is mandatory for anyone wanting to compete at this level. Seniors are not guaranteed a starting position. Play time is based on their ability, attitude, commitment, and skill to help the team meet its goal.

“And whatever you do, whether in work or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him.” Colossians 3:17
